Brief Instructions  
**PAYROLL EXPENSE TRANSFER FORM**  
UPP Form #103

The **Payroll Expense Transfer Form** is used to transfer salary and benefit charges or credits previously processed through either the regular monthly or biweekly payroll. The form can be used to transfer (1) **all payroll charges** for an employee for a given pay period listed on the PEXP092 Departmental Payroll Expense Detail Report; (2) **current period charges only**; or (3) **detail line items** printed on the report. Up to three pay periods can be transferred on a single form. **Do not** use this form for **non-salary** transfers of charges or credits: use the EE module in ACCTS to process these transactions, instead.

### **FORM PROCESSING**

Transfers being made to either **Ledger 5** or **Ledger 6** accounts should be forwarded directly to **Sponsored Award Accounting**. **All other forms** should be sent directly to **Payroll Services**. The forms must arrive in Payroll according to the following schedule:

For **Monthly** employees: All forms submitted to Payroll will be processed during the monthly payroll cycle. Forms received after the 15<sup>th</sup> will be processed in the following month.

For **Biweekly** employees: All forms submitted to Payroll will be processed in the next regular biweekly payroll cycle.

Transfers routed to Sponsored Award Accounting should be sent ahead of schedule to allow time for the form to be delivered to Payroll Services.

### **INSTRUCTIONS**

This form should only be used to transfer charges or credits processed through either the regular monthly or biweekly payroll (which appear on the PEXP092 Payroll Expense Detail Report). All other changes should be done on a Journal Voucher.

A photocopy of the Payroll Expense Detail Report (PEXP092) for the period(s) being transferred must be attached to all Payroll Expense Transfer Forms. If a **Ledger 5** (federal government grant account) transfer is being made later than **two months** after the charge was processed, an INFORMATION REQUEST FOR RETROACTIVE TRANSFER” FORM MUST BE ATTACHED TO THE FORM.

The payroll system will automatically calculate **the staff benefit charge** for all payroll transfers. Therefore, when entering the dollar amounts on this form, enter only the amount of the payroll expense. **Do not** add in or separately enter the staff benefit charge.

Each form **must be signed** by an authorized signer in the department. In addition, the name and phone number of the individual preparing the form must be entered on the form.
